### Pilgrim Pathway & Easter Journey

Dear Parents

The theme for worship for this half-term is Lent and we will be focusing on two resources, one is from the Archbishop of York trust and is called Pilgrim pathways, the other is a book called Easter Journey by Susie Poole

**Pilgrim Pathways** takes us on a pilgrimage journey through Lent, looking at items that are important on a walking pilgrimage. **Pilgrim Pathways** helps us to explore how these items symbolise ideas that can help them when facing challenges in our personal life journey. They are designed to encourage reflection and practical actions that can support our wellbeing and happiness.

When people take part in walking pilgrimages, they need to find shelter at night, some will camp, some will book places to stay along the way. Sometimes during a day's walking, people will need to take shelter or find a place of safety. Our fifth item is **shelter**.

#### Discover

- Find out about someone who has shown resilience during difficult times: Nelson Mandela, Bethany Hamilton, Martin Luther King.
- What helped them carry on trying?
- How can their story encourage us?

#### Reflect

- Build a wall of resilience bricks. Cut brick shapes in paper. Write on each of them times when you have faced something new or have been worried, but still achieved it and developed new skills or bravery.
- Think of who has encouraged you and add these moments to your wall.

#### Create

- Find a box and some lollipop sticks and make a shelter like those on Holy Island.
- On the inside of the walls write or draw things that you shelter from.
- On the outside write or draw people or things that help you when you are scared and need to shelter.

#### Act

- Try out a new activity or hobby, perhaps without the security of your circle of friends. Take this as an opportunity to stretch yourself.
- Support or raise awareness for a homeless charity that offers people shelter.
